### **Make a World of Difference!**

When you contribute to the World Peace Passport initiative, you are helping teachers around the globe develop future leaders of the 21st century who will be able to successfully live and work with people of different cultures, traditions, beliefs and values. You will be helping connect youth around the world in a common vision of peace and cultural understanding.

#### **Peace Pal**

Through your individual contributions you can make a world of difference by providing our youth with the tools they need to effectively meet the growing challenges of the 21st Century and creating a new appreciation of the world through cultural understanding.

- Individual Contribution Amount

#### **World Traveler**

Help students travel the world without leaving their classroom! As a World Traveler, your contribution gives classrooms and their students the opportunity to learn, through our Spokes-BEE Globe, the importance of BEE-ing respectful, BEE-ing friendly, and BEE-ing appreciative of our similarities as well as our universal differences. *We all smile in the same language!*

- \$1000 +

#### **Global Friend**

*Global problems require global solutions!* Be a part of the World Peace Passport movement and together; let's make the world a better place by creating positive, caring and respectful bridges between people of different cultures and beliefs.

- \$25,000 +
